1. The student unions of the universities in Turku (TYY, ÅAS), the student union of the Novia University of Applied Sciences (Novium) and the Turku University of Applied Sciences (TUAS) run the starting package storage in order to help international exchange students get started in Finland. The storage follows the terms of use established by the student unions and TUAS, and conditions may be subject to change at their discretion.
2. Packages can be borrowed only by exchange student members of the student unions or by exchange students of TUAS. When renting a starting package, you must prove your membership in a student union or enrolment at TUAS, or Novia as well as present a receipt that you have paid the starting package rental and deposit fees. The starting package is **personal** and neither the package nor any of its contents may be passed on to any other person.
3. If you have received a starting package, and have not signed a borrower's agreement within two weeks after your arrival, you will receive a **penalty fee of €10.00**, which will be deducted from your deposit.
4. A starting package may be borrowed for a **maximum time of twelve (12) months**. If you exceed the maximum time, a late fee of €15.00 will be deducted from the deposit refund. If a package has not been returned 15 months after it was borrowed, the borrower will lose the entire deposit refund.
5. The **rent** for the Starting Package is **€20.00**. In order to receive a starting package you will also pay a **deposit fee of €50.00**. The deposit fee is refundable upon return of the complete and clean package, in the same conditions as when rented. Students with an EU bank account will receive the deposit as a transfer to the home bank account. Other students will receive the deposit back in cash from the TYY service desk (for TYY service desk opening hours, see www.tyy.fi/en). Refunds must be claimed within **three months** of the return of the starting package; refunds not claimed within three months will be forfeited.
6. All items must be **washed and dried** before they are returned. **Pillow and blanket must be washed at 60 degrees**. If an item is damaged, missing, or not clean upon return, you will pay a fine out of your deposit fee. If you lose something, you can replace that item, but the new one has to be similar to the original and in good condition. Items such as pub glasses or dishes from the student cafeterias will not be accepted as replacement for broken or missing items. Please check replacement guidelines at the starting package website www.tyy.fi/starting-package-storage for more details on acceptable replacements.

| cooking pot | €15 |
| cooking pot cover | €7 |
| cutting sharp knife | €5 |
